SWIM LESSON LEVELS:

Parent/Child, 6 Months – 4 Years (30 Minute Lessons)

Parent/Child Level

Parent/Child Level is a program for parents and children 6 months – 3 years

Objective: Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

Skippers, Age, 3-6 Years (30 Minute Lessons)

Skippers 1

Prerequisites: Age 3 and comfortable in the pool without a parent.

The objective of Skippers 1 is to focus on water adjustment, safety and basic swimming skills.

Skippers 2

Prerequisites: Age 3 and have passed Skippers 1 or that your child is able to float on their back with little to no assistance and is comfortable with submerging their whole head under the water.

The objective of Skippers 2 is to start to develop fundamental skills.

Skippers 3

Prerequisites: Age 3 and have passed Skippers 2 or your child should be able to float independently and be able to swim at least three body lengths with little assistance.

They should also be comfortable jumping into a shallow pool with supervision.

The objective of Skippers 3 is to begin stroke development.

Swimmers, 5- 13 Years (45 Minute Lessons)

Level 1- Introduction to Water Skills

Prerequisites: Age 5

Objective: Swimmers 1 is to help students feel comfortable in the water and to enjoy to the water safely.

Level 2- Fundamental Aquatic Skills

Prerequisites: Passed Swimmers 1, or your child should be able to make forward progression in the water independently for at least five body lengths. They should also be able to float independently on their backs and know the basic concept of treading water.

Objective: of Swimmers 2 is to give students success through fundamental swimming skills. Students learn to float without support and to recover to a vertical position.

Students explore simultaneous and alternating arm and leg actions.

Level 3- Stroke Development

Prerequisites: Passed Level 2, or your child should be comfortable in deep water. They should know how to tread water for 30 seconds and make forward progression in the water for at least half the length of the pool.

Objective: Level 3 is to build on the skills in Level 2 by providing additional guided practice.

Level 4- Stroke Improvement

Prerequisites: Passed Swimmers 3, or your child should know how to hold their breath under water for at least 15 seconds and also be proficient in front crawl stroke and backstroke across the length of the pool. They should also be able to make a head first entry into deep water.

Objective: of Swimmers 4 is to develop confidence in the strokes learned and to improve other aquatic skills.

Level 5- Stroke Refinement (upon request with 3 or more swimmers and available instructor)

Prerequisites: Passed Swimmers 4, or your child should know how to perform the front crawl stroke, breaststroke, elementary backstroke, and backstroke for at least one length of the pool each with little to no breaks.

The objective of Swimmers 5 is coordination and refinement of strokes.
