# EAST FORK SWIMMING POOL DISTRICT BOARD OF TRUSTEES MEETING AGENDA

December 19th, 2023 at 9:00 a.m. Carson Valley Swim Center 1600 Hwy 88, Minden, Nevada

Pursuant to Chapter 241 of the Nevada Revised Statutes, the East Fork Swimming Pool District hereby notifies all interested parties that the Board of Trustees will conduct business of the district as noted below.

\*

#### 9:00am Call to Order and Recognition of Quorum

#### **PUBLIC COMMENT (No Action Can be Taken)**

At this time, public comment will be taken on those items that are within the jurisdiction and control of the Board of Trustees. Public Comment is limited to 3 minutes per speaker.

If you are going to comment on a specific agenda item scheduled for action, please do so when that item is opened for public comment. Please identify yourself and sign in on the sign-up sheet. Do not offer comment until acknowledged by the Chair.

#### APPROVAL OF AGENDA

The Board of Trustees reserves the right to take items in a different order to accomplish business in the most efficient manner; to combine two or more agenda items for consideration, and; to remove items from the agenda or delay discussion relating to items on the agenda.

#### **CONSENT AGENDA**

Items appearing on the Consent Agenda are items that can be adopted with one motion and vote unless an item is pulled for discussion by a Trustee or a member of the public. Members of the public who wish to have a consent item placed on the Administrative Agenda shall make that request during public comment at the beginning of the meeting and state why they are making that request. When items are pulled from the Consent Agenda, they will automatically be placed at the beginning of the Administrative Agenda or, may be continued until the next meeting.

#### PUBLIC COMMENT

Motion to Approve Consent Calendar items 1a & 1b

- 1a. For Possible Action. Approval of previous minutes from the November 14<sup>th</sup>, 2023 Meeting.
- 1b. For Possible Action. Approval of general ledger cash balances, expenditures and investments through November 30<sup>th</sup>, 2023.

#### ADMINISTRATIVE AGENDA

The Administrative Agenda will proceed as follows:

- The Chairman will read the agenda title into the public record.
- Staff and/or Trustees will provide relevant information on the matter.
- The Board will discuss the item. Once that discussion is concluded, the Chair will take public comment at three minutes per speaker.
- Once public comment is completed, the Board may again discuss or proceed directly to vote.

\*\*For agenda items that are listed as "Discussion Only" with no action, public comment is not legally required. Public comment may be accepted by the Chair at their discretion.

#### CONSENT AGENDA ITEMS PULLED FOR FURTHER DISCUSSION:

Any item pulled for discussion from the Consent Agenda will be heard at this time unless continued to a later meeting.

#### Administrative Agenda

- 2. Discussion Only. Discussion and update on the Capital Improvement Plan ongoing and possible future projects.
- 3. Discussion Only. Discussion and update of the Districts "Strategic Plan."
- 4. Discussion Only. Discussion and update on the procedures when filling a Board of Trustee position after a resignation and a farewell to Douglas Robbins.
- 5. Discussion Only. Report from the Swim Center Director:
  - User Attendance
  - Staffing and Programming
  - Marketing and Public Relations Information
  - Employee Recognition
  - Maintenance Updates
  - Monthly Financial Update
  - Correspondence
- 6. For Possible Action. Discussion and possible action on proposed agenda items for the January 18th, 2024 general meeting and future District Meeting Schedule for 2024.

#### Adjournment

Copies of the agenda were posted at 4:00pm, Wednesday, December 14<sup>th</sup>, 2023 at the following locations:

- 1. Carson Valley Swim Center, 1600 Highway 88, Minden, NV.
- 2. Douglas Co. Administration Building (Historic Courthouse) 1616 Eighth St., Minden, NV.
- 3. Douglas County Administration Office (Minden Inn) 1594 Esmeralda St., Minden, NV
- 4. Carson Valley Swim Center Web Site: www.cvswim.com
- 5. State of NV web site: https://notice.nv.gov/

3. State of NV web site: https://not	ice.nv.gov/

Γitle:	Approval of the General Meeting minutes from November 14 <sup>th</sup> , 2023
Background: Funding:	These are the draft minutes from your previous meeting.  NA
Recommended Motion:	Move to approve the General Meeting minutes from November 14 <sup>th</sup> , 2023
Trustee Action:	ApprovedDeniedNo ActionOther

#### EAST FORK SWIMMING POOL DISTRICT BOARD OF TRUSTEES

#### **GENERAL MEETING MINUTES**

November 14<sup>th</sup>, 2023 at 9:00 a.m. Carson Valley Swim Center 1600 Hwy 88, Minden, Nevada

The Board of Trustees November 14<sup>th</sup>, 2023 general meeting was called to order by Chairperson Sharon DesJardins at 9:00 AM at the Carson Valley Swim Center, Minden, NV. Board members present were, Vice Chairman Travis Lee, Doug Robbins, Frank Dressel and Trustee Teresa Duffy.

No Public Comment: Chairperson DesJardins recognized Melinda DesJardins as a visitor.

#### **AGENDA**

Upon motion by Lee to approve agenda, seconded by Dressel, the motion was unanimously approved.

#### No Public Comment

#### CONSENT AGENDA ITEMS

- 1a. For possible action. Approval of previous minutes from the October 19th, 2023 General Meeting
- 1b. For possible action. Approval of general ledger cash balances, expenditures, and investments through October 31st, 2023

Upon motion made by Dressel and seconded by Robbins. The consent agenda items 1a & 1b were unanimously approved.

**No Public Comment** 

#### ADMINISTRATIVE AGENDA

2. For Possible Action. Discussion and adoption of the 2022-2023 Audit Report. (Joan Sciarani-Blake CPA from Arrighi Blake & Associates, LLC)

Chairwoman DesJardins introduced the item. Joan Sciarani explains the audit. She states that this is an unmodified opinion, which is the highest level of assurance you can achieve on a financial statement. She shows the balance sheet pointing out that the cash did increase \$956,000. She says there is a new liability line which is the financing for the land purchase. She explained the Schedule of revenues, expenses, and changes. She explains the trending graphs. She goes over the operating revenues and trends. She says the salaries and benefits have not had a huge increase. She says the operating costs have also remained around the same. She explains costs are going up which will cost expenditures to also go up. She states that no violations were noted. Robbins states in the Capital Assets section on page 16, under pool, does that include the building. Sciarani states yes but this is historical cost not fair market value.

Upon motion made by Duffy and seconded by Robbins to approve the adoption of the 2022-2023 Audit Report.

The motion to approve the adoption of the 2022-2023 Audit Report was unanimously approved.

**No Public Comment** 

3. Discussion Only. Discussion and update on the Capital Improvement Plan ongoing projects Chairperson DesJardins introduced item. Harris states you'll see in section 3 of our board binder that we have a remaining balance as of October 31 of \$3,226,122. This is going to be a lower spending year. The Eastside Expansion (lobby remodel and concession) will be moved to the next fiscal year. The cost for the Eastside Expansion this year will only be the design costs. The roof restoration is done. There are a couple of spots they need to redo. They did a great job matching the existing roof. But until the final punch list is done, we'll hold on the \$8200. Desjardins asks when Douglas County will ask for the \$50,000. Harris states that the commissioners meet on Thursday November 16th to approve the Splash Park. Douglas County will not ask us for our portion until the project is completed. I am going to move forward with McCullough and Maintenance Supervisor Long to work on Toy Replacement. I have spoken to Lee and feel I have a good idea of what he is looking for in new toys. We will review all of the brochures that DesJardin brought back from the NRPA Conference and contact the vendors. We will hopefully be able to bring 3 proposals forward to the board in 30-60 days. I would like to complete this project in this fiscal year. I would also like McCullough to discuss adding additional parking on the property next door. McCullough states that we had Rob Anderson out from Proposal Services to give us

an estimate on a parking lot. To do that we need a CLOMR (Conditional Letter of Map Revision) Submittal submitted to FEMA. This takes 18-24 month because we are in a primary flood plain. We have not received the proposal back yet. We are also looking at how conceptually it will lay out for building versus parking. DesJardin mentioned that the new rock wall is going up and it looks awesome.

#### No Public Comment

4. For Possible Action. Discussion and possible action to approve design services contract with TSK Architects for the Maintenance Storage Building Project in the amount of \$39,840.

Chairperson DesJardins introduced item. McCullough states that design services is usually 10% of the cost of the building. TSK Architects have been around for at least 7 years. Due to the timing of the work, the lobby remodel has been pushed to September 2024. This will be added to the CMAR project and we will be looking for a plan to include this in their work, that way, in September, we will start all three parts of the Eastside Expansion. Hopefully we'll get better pricing because of the economies of scale because we'll have all major trades in all three areas. There was more discussion on the design of the maintenance area. DesJardin states let's get back to the action item at hand and we can talk design at a later date. DesJardin asked if there was any more discussion on the action item and she asked for a motion to approve.

The motion to approve design services contract with TSK Architects for the Maintenance Storage Building Project in the amount of \$39,840 was made by Dressel and seconded by Robbins. The motion was unanimously approved

#### **Public Comment:**

5. Discussion Only. Report from the Swim Center Director.

CVSC November 2023 Director's Report

User Attendance: See board binder documents.

- Oct 2022 Attendance was 8,532. Oct 2023 Attendance was 8,057 (See attached docs)
- Programming, Staffing and Training:
- Sharon (Chair), Sarah and Shannon attended the NRPA National Conference in Dallas, TX
- Special events were well received and went great Pumpkin Patch, Haunted Pool Party The Team was very successful!
- Maintenance Department Part-time position was filled by one of the current lifeguards.

- Leadership Team (Director and Supervisors) meet monthly to plan and discuss CVSC programming & staffing.
- Part-time employee evaluations have been completed.
- Monthly In-Service Training/Meeting was conducted by all supervisors.
- Session, Drop-In and Private swim and dive lessons are combined numbers and classes have been successful (see attached #'s)
- Water Aerobics Class attendance is staying steady at 35+ participants in the morning classes. Evening classes are smaller but well likes and attended.

#### **Marketing and Public Relations:**

- The Swim Center has hung their "Best of" 1st place banner in the lobby.
- Shannon was the MC for the Chamber Community Recognition Awards.
- Shannon and Paul attended the NRPS meeting online.
- Shannon and Sarah were interviewed for the "Best in Aquatics" Award that will be presented at the AOAP National Conference to be held in Reno, NV.
- Shannon and Sharon T. (Admin Asst.) attended the Annual Pool Pact HR Conference in Reno, NV. Shannon attended (online) the Executive and General NRPS Board Meetings.
- Social media exposure, information sharing and flyers: Facebook & Instagram updates (Sarah & Catherine).
- Website updates (Justin, Paul, Sharon), Google Business updates (Shannon), Alignable updates (Shannon)
- Publications: Carson Valley Business Directory, Getaway Reno/Tahoe Area, Best of CV, Almanac, Record Courier.
- CGI Marketing Group continues to do a good job managing our online reputation with Google, Yelp (Shannon)
- Phone Message updates (Sherrie)
- Water Aerobics Coordinator (Deanna) is emailing staff and patrons on our internal water aerobics list to keep up-to-date on schedule or procedure changes.

#### **Employee Recognition:**

Employee of the Month: September Alicia Suttor, Cashier. Alicia has developed a strong relationship with the patrons and has done a great job enforcing rules, policies and procedures. She has been reliable and never sits still. She is consistent in her workload and accomplished whatever has been assigned to her. She also has added paintings and decorations to the front office.

#### **Maintenance Updates:**

- Roof coating project has been completed. Walk thru is scheduled for November 8<sup>th</sup>, 2023. Retention is being held.
- Rockwall has been delivered and is being anchored to the deck with inserts.
- Dive stand pad has been manufactured and shipped.
- New ADA lift has been delivered and installed.
- Daily, weekly, monthly and annual maintenance projects and asset management are being completed... excel document updated by Maintenance Supervisor and Director regularly
- Updating and improving the data information in Reserve Analyst (Asset Management Program).

Monthly Financial: See board binder documents.

Correspondence: See board binder documents (if applicable).

#### No Public Comment

5. For Possible Action. Discussion and possible action on proposed agenda items for the Tuesday December 19<sup>th</sup>, 2023 meeting

CIP Update
Toy Replacement
Cost from Plenium regarding option 4 for the Lobby
Remodel

Upon motion made by Robbins and seconded by Dressel to adjourn meeting. Motion to adjourn meeting was unanimously approved.

## EAST FORK SWIMMING POOL DISTRICT BOARD OF TRUSTEES

#### **Executive Summary**

#### Introduction

The Carson Valley Swim Center has long valued the role that aquatics services plays in enhancing the community's quality of life. As a testament to the importance of these services, the community has invested significant public dollars by building or renovating the facility since 1986. In total, the Carson Valley Swim Center has 6 pools in total specifically built for aquatics programs. This commitment reflected the vision to build upon the community's proud aquatics history so that future generations will continue to be provided with high quality and effective aquatics services.

Now that the facilities have been operating for over 30yrs, the next step is to better understand the role we want to play over the next 30yrs in our community breaking it down 3-5yrs at a time. Our delivery will continue to be coordinated between the County, the Douglas County School District, and other community service providers to maximize programming in a cost-effective and sustainable manner. To accomplish this, a community engagement process was initiated in an effort to ensure that any decisions reflected the community's values. To lead this effort, the Carson Valley Swim Center Strategic Planning Team was established.

Members of the community representing various interests worked together for the majority of 2020 to develop the Aquatics Strategic Plan.

#### **Mission Statement**

Provided by a skilled staff, The Carson Valley Swim Center will deliver:

- 1. A safe, customer-service driven environment
- 2. Innovative programming that is responsive to the needs of our diverse community, and
- 3. A clean and well-managed facility.

#### **Planning Process**

An analysis of the strengths, weaknesses, opportunities, and threats (SWOT) associated with our current aquatic facility and programs was performed to assist in understanding aquatics today and opportunities for the future. As a result of the analysis, several specific components were defined. These components provided a starting point to develop" Action Steps" to meet the goals of the Plan as defined below:

- To provide a diverse mix of programming by exploring new and exciting activities and events that provides for all the community's aquatics needs.
- To utilize our partners and stakeholders to enhance facility visibility and share our story through PR and Marketing initiatives.
- To explore expansion of the facility at the current location or into other areas of the community.
- To complete an economic vitality study and analysis

Following the development of the "Action Steps," and as part of this process, the Committee reviewed the operations of other successful aquatics organizations in Northern Nevada and relied on the experiences and expertise of committee members. In the end, it was decided that the Aquatics Strategic Plan for the Carson Valley Swim Center would define specific programs offered, address usage of pool space and determine if the needs of the community are being met.

Four strategic initiatives were developed to help define aquatics operations. The Initiatives include:

- Community needs based scheduling
- Build a partnership base
- Maintain tracking of data to help determine expansion opportunities
- Define the impact the facility has on the community (Health, Wellness, Economic Impact)

Moving forward, an annual work plan will be developed to actively pursue the strategic initiatives in a coordinated manner. The work plan establishes priorities for the year and will be developed jointly by the staff and Board of Trustees for the Carson Valley Swim Center.

#### **The Past**

In February 2020, the East Fork Swimming Pool District hosted a "Special Board Meeting" open to staff and the public to collect thoughts on the Carson Valley Swim Center's aquatics facilities and programs, listen to our current framework and possibilities for the future. During the meeting, several items were identified by those in attendance. Some of these thoughts were items that needed more immediate attention, while others involved the updating or adding of amenities to serve other areas of the community, opportunities to improve staff retention, serve more families, and create new events and activities. Following this initial meeting, staff and Board members formed a committee tasked with developing a strategic plan for aquatics in the community. It is envisioned that the community will benefit by having the opportunity to participate in enhanced services.

#### **History Highlights**

#### November, 1958

The East Fork Swimming Pool District was created by a majority vote of electors of the East Fork Township at a general election on November 4, 1958, and declared organized by District Judge Richard R. Hanna on November 22, 1958.

#### September 17, 1977

The Douglas County Board of Commissioners, by Resolution No. 77-41, placed the District in an inactive status and transferred its operation to Douglas County Parks and Recreation.

#### April 3, 1986

The Douglas County Board of Commissioners, be Resolution No. 86-16, reactivated the East Fork Swimming Pool District. Upon reactivation, the EFSPD had the power to construct, maintain, and operate swimming pools and other equipment pertaining thereto in the service area of the EFSPD. The service are of the EFSPD (approximately 624 square miles) is that portion of Douglas County known as the East Fork Township of Douglas County. At the times the EFSPD was reactivated, the old Gardnerville pool was not meeting the needs of the community.

#### September 12, 1986

A special East Fork Township election was held, concurrent with the State Primary Election in which as question was asked if the EFSPD should incur an indebtedness of the principle amount not to exceed \$2,500,000 for the purpose of constructing and equipping a swim center. The question was approved by the voters with 2,666 voters voting yes (57%) and 1,955 voting no.

#### February 23, 1987

The EFSPD requested and was granted Ad Valorem Tax authority to supplement its user fees by the State of Nevada Department of Taxation. Effective fiscal year 1987-88, the maximum allowed operating rate was .1077 per \$100 in assessed value.

#### May 1, 1989

The Carson Valley Swim Center opened and since then it has enjoyed a steady growth in attendance, revenue, hours of service, and program diversity.

#### 1991

The Carson Valley Swim Center won the Nevada Recreation and Parks Society's "Elmer H. Anderson Parks Excellence Award." The highest award given by that society. The award is based on facility design, programming, community use and long range planning.

#### 1993

The Carson Valley Swim Center won the National Recreation and Parks Association's "Excellence in Aquatics" award, the highest commendation awarded at the national level. This competitive award is based in facility design, programming, community use and long range planning.

#### 1998

The EFSPD Trustees decided to postpone saving for additional swimming facilities during the fiscal 1998-99 budget period. This decision was based in the county's need to find new funding for senior programs, the public library and parks and recreation.

#### 2014-2021

Voted by Douglas County residents "Best Place to Take Your Kids."

#### 2017

The EFSPD successfully completed the Pool Pact Human Resources HR Assessment Phase I

2019
The EFSPD successfully completed the Pool Pact Human Resources HR Assessment Phase II

The EFSPD successfully completed the Pool Pact Human Resources HR Assessment Phase I (revised)

#### 2014-2023

Voted by Douglas County residents "Best Place to Take Your Kids"

#### 2021

The EFSPD purchased the adjacent 3.7acre parcel for future development

#### 2022

Awarded the Loss Control Excellence Award

#### 2023-2024

Awarded "Best in Aquatics" for programming through Aquatics International

#### **Facility**

#### **Carson Valley Swim Center**

The Carson Valley Swim Center opened its doors in 1989 and was built to better serve the community's needs. The facility is multi-use with six pools, a meeting room, BBQ areas, concession stand, locker rooms, Mezzanine, Dry-Workout Room and a variety of other recreational amenities including Diving Boards, Water Slides, Rockwall, Wibit and Dumping Toys.

The Carson Valley Swim Center is an integral part of the community that offers recreation, training, and entertainment to thousands in the Carson Valley each year. Through various programs, the Swim Center is closely linked to the county's school district, the senior community, and its public safety departments.

#### **The Current**

#### Committee Role

The Committee consisting of the Director and the Board of Trustee was assembled and is responsible for creating and delivering a strategic plan as the first step in implementing an excellent community aquatics program. The committee may be further utilized to evaluate and recommend future changes to the plan, work plan items, or assigned other tasks.

#### **Values**

The benefits of aquatics programming is well documented in contributing to a community's quality of life, public safety, economic development, and health. In the Carson Valley, these benefits have been realized for many years - though they have not always been a result of coordinated efforts or a common focus. The long history of successful swimmers emerging from the community, as well as the building of the community aquatics facilities, demonstrates the Carson Valley Swim Center's commitment to aquatics.

In order to move forward in a strategic manner, the community participants established the following values to guide future decision-making so that the Carson Valley Swim Center continues to realize the many benefits of it comprehensive programs offerings.

- New Ways to Serve the Community
- Build lifelong community health through swim related programs
- Family centered activity
- Expand water recreation to other parts of the county
- Enhance quality of life
- Youth development through employment, events and programming
- Economic development: Swim meets and events attract people to the Carson Valley
- Learn water safety skills
- Facilities are accessible to many
- The Aquatics Center is a high-level training facility

From the values identified by the community, a value statement was created to serve as a foundation for the plan.

#### Value Statement

To educate the community that aquatics is a lifetime activity that leads to better health and wellness physically, emotionally, socially and spiritually for all ages with an emphasis on equity and access for all.

#### **SWOT Analysis**

An analysis of existing strengths, weaknesses, opportunities and threats has been performed to help determine the current status of aquatics in the community.

#### **Strengths**

Facilities – The facility is in good working condition and has an extensive Asset Management and Capital Improvement Plan. For over 30yrs, the Carson Valley Swim Center Directors and Trustees have dedicated many financial resources is "keeping the facility in like new condition." It is our commitment to the community.

Location and Climate – The milder winters and warm summers that traditionally occur in the Carson Valley make is conducive to swim outside for 8 months out of the year. The other 4 months of the year swimming occurs indoors. The location in the Reno-Tahoe area against the Sierra Nevada Mountains make for an incredible place to live and visit.

Membership Model – The membership model has been very successful for the Swim Center. Our commitment is to our tax paying "residents" who are given discounts. The Swim Center has also built into their memberships a model that values our senior population and demonstrates our commitment to creating a

healthier community.

Successful Programs – Participation in swim lesson programs and recreation swim brings in thousands of people to the pools. These programs are strong revenue producing programs, but also are a good resource for marketing other aquatics programming and opportunities. There are also a large number of club swim team and masters swimmers that already use the pool for lap swimming and training.

The Community - In general, the community is reasonably affluent, with an aging population.

Economic Impact of Competitive Swim Meets – The community has benefited from many high level swim meets held at the Aquatics Center over the past several years. These bring many people into the area that utilize restaurants, hotels, and retail stores.

Pool Maintenance Operations – The Director, Trustees, Project Manager and Maintenance department has been on the front end of new technology in aquatics maintenance.

#### Weaknesses

Staffing – Part-time employee turnover. Low staff numbers during certain time of the year. Timing of availability and flexibility. Change current positions or create new ones. PERS limitations.

Competition for space – Overcrowding in winter months when programming increases, swim team use and the competition for space. Focus needs to be more kid oriented.

Underutilizations of Areas - Volleyball court wasted space. North lawn area wasted space. Add splash pad, zero entrance pool outside, therapy space in the best location.

#### Raising costs - Inflation at an all-time high

**Opportunities** 

New Amenities and Programming - Increase services and locations. Water Park, Lazy River, Flow Rider, Yoga Classes on SUP Boards

Facility Expansion – Update and expand front lobby/entrance. Use outdoor pool year around. Lot next door FEMA mapping, population, zoning, staffing and community need with determine expansion.

Community Events - New and creative. Polar Bear Dip. Increase Child and Family events.

Employment and Training – Employment of High School students. Opportunity to build skills, mentoring and coaching.

New PR and Marketing Opportunities - be creative and open to new avenues

#### Threats

Changing Population – Respond and remain relevant as county and school district demographics change. Sustainable for community growth. Outgrowing facility.

County Commissioners - Wanting part or all of Tax Rate.

Non Users/Tax payers – Rumors of petition started to "Privatize" the swim center. Public perception. Decision making.

# **Action Steps**

#### **Action Steps**

The steps established and outlined are for the facility as a whole,

- 1. Explore expansion of facility while reevaluating current space and usage.
- 2. Complete an economic vitality study
- 3. Complete a Cost of Living Study and Cost Comparison across county employment.
- 4. Develop a targeted PR/Marketing Campaign involving community stakeholders.

**Community Aquatics Model for Carson Valley** 

Community aquatics models vary greatly throughout the country and it is not likely that any two operations will be exactly the same. Through the experience of committee members and review of other aquatics operations, an inventory of programs were identified as pieces of a successful aquatics operation. This inventory was categorized into related areas. The following section provides an overview of these categories and programs.

**Recreation Swim-** This category includes use of the pool facilities for un-programmed water play year round. Group use of recreation swim is also counted in this category.

Learn to Swim Programs - Learn to swim programs are listed in two categories:

Youth Swim Lessons – Age appropriate swim lessons that take youth from not being able to swim to the point where they could join a precompetitive swim program, if interested.

Adult Swim Lessons - Provide lessons that create an environment where adults are comfortable learning.

Adult Fitness – Programs that are focused on health and fitness where high levels of skill are not necessary to begin participation in these programs.

<u>Water Aerobics Classes</u> – This is a program that promotes exercise in the water (shallow and deep) that is structured and instructor led. A successful program is responsive to the needs of the participants. Changes in formatting could potentially attract more seniors.

<u>Lap Swim</u> – Unstructured swim time for adults to use the facility to swim laps for fitness.

<u>Dryland Workouts</u> - Unstructured workout time in the Multi-Purpose Room using a variety of equipment.

**High School Sports** – High School Aquatics are offered in Swim Team and Diving. In recent years the number of participants has declined due to a variety of reasons. Success in participation at the high school level directly relates to the relationship to youth swim team. Keeping the youth interested as they move into high school is critical and it is the social element that drives participation.

Adult Competitive/Advanced Fitness Programs – These are the programs that require adults to have advanced level of skill or training in to participate.

<u>Masters Swimming/Triathlon Training</u> – This is a coached program where instruction is provided on workouts and training techniques. Scheduling in this area is a key component as is the coach selected to run the program.

Pool/Facility Rentals - These would be the private rental of pools and amenities at any of the facilities.

<u>Events and Parties</u> – This area is a primarily summer operation but does continue through the winter in the Mezzanine. Providing birthday parties is a very competitive area and they should be offered, but this should not be an area where expanding revenue is likely. Private event rental of the recreation swim facilities is a potential opportunity.

<u>Swim Meets</u> – Hosting swim meets does not generate a great deal of direct revenue, but their economic impact is thought to be very large. The regional level swim meets will have a much greater economic impact as people will stay longer, utilize hotels, and eat more meals within the City.

<u>Lane Rentals</u> – Lane rentals to groups from outside provides and opportunity to generate revenue.

Other Programs – This area would be where nontraditional aquatics programming would fall. Scuba classes have been identified as an opportunity, but were tried before without success. It is believed the program could work, but it is a low priority at this point.

Maintenance of Facilities – While not a direct service, it is important to recognize that facility maintenance is a key component of operations at all facilities.

Relationships

While the importance of quality in the outlined program areas is essential to building a successful aquatics program, it is also important to realize the overall management of programs and how the relationships between programs is a critical aspect of creating an integrated service delivery model. Key relationships are outlined below.

School and Community Groups - The Swim Center hosts and co-teaches two Douglas High School aquatics classes each semester with an average class size of twenty-five students. In the spring of each year, the Swim Center hires twenty-five to thirty students as lifeguards for the upcoming summer. With the combination of lifeguards and cashiers, the Swim Center is one of the largest teen employers in Douglas County. Not only are the Center's lifeguards certified in shallow and deep water lifeguarding, but also have certifications for CPR, first aid, AED (automated external defibrillator), and the administration of oxygen. Many pursue careers as firefighters, paramedics, and nurses, and in law enforcement and the military.

Groups of kids attending school field trips and other organized events visit the Swim Center throughout the year and come from Northern Nevada elementary and middle schools, Douglas County's Adventure Camp, Northern Nevada based Boys & Girls Clubs, and from privately owned daycare centers. Three rural schools from California bus students to our facility for group swim lessons and for water safety instruction.

The Swim just isn't about swimming. It is also a safe place where youth hang out after-school completing homework and socializing until they are picked up by their guardians.

**Transition from Swim Lessons to Competitive Swimming/High School Swimming** — Participants that progress through these levels successfully are the ones that have an opportunity to transition into aquatics as an adult. They also are the participants that form the base to develop qualified staff. Developing an overall management plan/structure that explicitly addresses and encourages this progression will be critical to the success of the model.

Overall Scheduling of Facilities – Coordination in the management of an overall schedule of facilities is a critical aspect of managing all program areas. An effort should be made to educate all participant groups that efficient scheduling can be a benefit to all groups involved and that working with other participant groups to share the facility is highly important.

#### The Future

Strategic initiatives have been designed to move Carson Valley Swim Center from present day operations to operations that align with the newly developed community aquatics model. These strategic initiatives are:

- 1. Community needs based scheduling
- 2. Build a partnership base
- 3. Maintain tracking of data to help determine expansion opportunities
- 4. Define the impact the facility has on the community (Health, Wellness, Economic Impact)

These initiatives will each provide a broad strategy for helping to achieve the goals of the plan. An annual work plan will be developed to actively pursue the strategic initiatives in a coordinated manner. The work plan establishes priorities for the year and will be developed jointly by the staff and Board of the East Fork Swimming Pool District.

# Strategic Initiative 1 Community Needs Based Scheduling

The Carson Valley Swim Center pools were built to serve the Carson Valley community. Scheduling the use of the facility to satisfy the wants and needs of our community is our top priority. As a special tax district balancing cost-recovery with community need in this area is critical. Aquatics facilities are expensive to operate and underutilization of facilities is not a viable approach to sustain a high quality and diverse aquatics program.

#### Potential Benefits:

- Increased Desired Programming
- Overall Cost Savings
- Reduction in Competition for Users in Pool Areas

#### Target Areas:

- Defining Most Appropriate Location for Various Uses
  - o Programs
  - o Rentals
  - o Swim Meets
- Define Overall Need for Pool Space at Various Times of The Year
- Understand Opportunities to Reduce Costs When Pools are Not Utilized

# Strategic Initiative 2 Building a Partnership Base

The Carson Valley Swim Center recognizes that successful and effective partnerships in the community are beneficial on many levels. For the Carson Valley community, an aquatics partnership between the Carson Valley Swim Center and the Douglas County School District result in both programmatic and financial benefits. By working in partnership with other organizations we will be able to better serve the community and the other potential partnerships may be able to leverage resources.

#### Potential Benefits:

- Enhanced Community Access
- Increased Programming
- Cost Savings
- Revenue Generation
- Increase Community Health

#### Target Area:

- Overall Management of Aquatics Facilities
  - Scheduling
  - o Fees
  - Marketing
  - o Programming
  - Capital Improvement Plan

# Strategic Initiative 3 Determine Expansion Opportunities

The Carson Valley Swim Center understands the importance to preserving the core areas of operation while trying to develop other service areas. Currently, the only location serving our community is successful from both a participation and financial standpoint but we are aware that serving other areas of our community can be potentially enhanced. Realizing and understanding the wide array of benefits of a comprehensive aquatics program, it is necessary to continually evaluate opportunities for maintaining and enhancing core services. The Carson Valley Swim Center needs to ensure that the community's significant investment in aquatics facilities is sustainable and effective and that ongoing maintenance and improvements are essential.

#### Potential Benefits:

- Increased Community Impact
- Increased Employment Opportunities
- Increased Service Area

#### Target Areas:

- Provide Quality Facility Maintenance to Aquatics Facilities
  - o Preventative Maintenance via Asset Management Plan
  - o Immediate Repairs
- Maintain Competitive Aquatics Programming
  - Shared Opportunities
- Continue Key Programs
  - Membership Model
  - o Recreation Swim
  - Swim Lessons
- Program Enhancements
  - Review Opportunities to Extend The Membership Model
  - o Attraction of Additional Swim Meets
  - o Improved Swim Lesson Instructions
  - Additional Adult Program Opportunities

# Strategic Initiative 4 Complete an Economic Vitality Study

It is important to understand the positive financial impact the Carson Valley Swim Center bring to the Carson Valley through their activities, hours of operation and programming including but not limited to both Club and High School Swim Meets.

#### Potential Benefits:

- Understand the Impact of Community Businesses
- Help Determine if more Activities need to be Planned
- Opportunities for Increased Revenue

#### Target Areas:

- Work with County's Economic Vitality Manager
  - Complete Assessment
  - o Evaluate Results
  - Educate Community Partners and Commissioners

# Appendix A: 2021 Annual Work plan

#### **Community Needs Based Facility Scheduling**

- 1. Defining Most Appropriate Location for Various Uses Timeframe: January 1 August 31
- 2. Define Overall Need for Pool Space at Various Times of The Year Timeframe: January 1 August 31
- 3. Understand Opportunities to Reduce Costs When Pools are Not Utilized Timeframe: January 1 August 31

#### **Building a Partnership Base**

4. Overall Management of Aquatics Facilities <u>Timeframe: March 1 – September 30</u>

#### **Determine Expansion Opportunities**

- 5. Provide Quality Facility Maintenance to Aquatics Facilities. Timeframe: January 1 August 31
- 6. Maintain Competitive Aquatics Programming <u>Timeframe: January 1 – August 31</u>
- 7. Continue Key Programs
  Timeframe: January 1 August 31
- 8. Program Enhancements
  <u>Timeframe: January 1 August 31</u>

#### **Complete Economic Vitality Study**

9. Work with County's Economic Vitality Manager Timeframe: September 1 – November 30

# 2021-2023 Strategic Plan for the Carson Valley Swim Center

#### Progression:

**Community Needs Based Facility Scheduling** 

- 1. Defining Most Appropriate Location for Various Uses (Timeframe: January 1 August 31)
  - March 2021, the facility was under the Governors COVID -19 mandates so a reopening plan was successfully developed with the support of the County's Safety Task Force.
  - March 2022, the outdoor pool was opened to accommodate increasing number of lap swimmers and the swim teams allowing for more space inside for open swim.
  - March 2022, the Therapy Pool Hours changed to better accommodate adults with children under the age of 7yrs and allowed for a better use of empty pool space.
  - Ongoing process based on population, demographics of users, and staffing.
  - 2023 data shows that Douglas County has an influx of seniors retiring in the area which will affect some programming goals and shift our percentage of served population.
- 2. Define Overall Need for Pool Space at Various Times of the Year (Timeframe: January 1 August 31)
  - In 2021, we added more Water Aerobics Classes to meet demand in the mornings Mon-Fri.
  - In 2021 and 2022, we identified deep water and lap lane pool space to accommodate Scuba Dive Classes in the winter months.
  - 2023 Ongoing process based on population, demographics of users, and staffing.
- 3. Understand Opportunities to Reduce Costs When Pools are Not Utilized (Timeframe: January 1 August 31)
  - In 2022, the Maintenance Supervisor and Director have agreed to add more VFD's through the facility to control electricity/power demand during closed hours and non-peak times.
  - In 2022, the Maintenance Supervisor and Director have agreed to utilize during warmer days opening of the
    doors to increase fresh air recirculation putting less demand on the Dehumidification systems.
  - 2023 Lights over pools during closures are being turned off and LED upgrades were made in the Natatorium

#### **Building a Partnership Base**

- 4. Overall Management of Aquatics Facilities (Timeframe: March 1 September 30)
  - In 2021, CVSC partnered with DC Search & Rescue to conduct the swim lesson programs "Safety Day."
  - In 2021, CGI Communications has partnered with the swim district in helping manage online reputation.
  - In 2021 and 2022, Director continues to speak publically to groups such as Good Governance Group, Vitality for Life and Kiwanis educating the community on the benefits of the facility and programming.
  - In 2021 and 2022, a cashier attended two community health fairs at the CVMC and DCSCC.
  - In 2022, the Aquatic Supervisors and a SR LG attending a Career Fair at the High School.
  - In 2022, a non-partisan voter registration group set-up a table in front of the building to help patrons become registered in Douglas County.
  - In 2022, the Maintenance Supervisor & Director partnered with CopperDisenfector inventor & installed Copper throughout the facility to mitigate the spread of viruses.
  - In 2022, the CVSC was awarded the "Loss Control Excellence Award' from their Pool Pact partners.
  - In 2022, partnered with the State of Nevada PALCO Program working with families that have children with special needs teaching them how to swim.
  - In 2023, Director will serve 3-yr term with the Nevada Recreation & Parks Society as President-Elect, President and Past President.

#### **Determine Expansion Opportunities**

- 5. Provide Quality Facility Maintenance to Aquatics Facilities. (Timeframe: January 1 August 31)
  - In 2022, a 23yrs old dehumidification Unit was replaced
  - Ongoing identification and understanding of current systems and assets leads to better management and function.

# 2021-2023 Strategic Plan for the Carson Valley Swim Center

#### **Progression Continued:**

- 6. Maintain Competitive Aquatics Programming (Timeframe: January 1 August 31)
  - In May 2022, the swim district will be hosting the regional dive meet along with the JV regional championship meet.
  - In May 2022, the swim district will host the northern Nevada Lifeguard Readiness Workshop.
  - Special Events are being held again annually, after COVID regulations have been dropped, such as the Easter Egg Hunt, Teen Nights and Flick 'N Floats.
- 7. Continue Key Programs (Timeframe: January 1 August 31)
  - Ongoing party rentals, lessons, water aerobics, HS aquatics class, swim teams, public swim.
- 8. Program Enhancements (Timeframe: January 1 August 31)
  - Purchased adjacent property doubling our footprint for future enhancements.
  - Added new annual event in 2022: Underwater Santa Pictures
  - Expanded the swim lesson program to work directly with children with special needs.

#### **Complete Economic Vitality Study**

- 9. Work with County's Economic Vitality Manager (Timeframe: September 1 November 30)
  - Referred to a UNR Professor who didn't contact the Director back. Continue to look for an alternative.
  - Director met with newly hired Economic Vitality Manager Nikki Haley and will meet with her in the beginning of 2024.

# EAST FORK SWIMMING POOL DISTRICT BOARD OF TRUSTEES

## AGENDA ACTION SHEET

Agenda Item #4	
Title:	Discussion Only. Discussion and update on the procedures when filling Board of Trustee position after a resignation and a farewell to Douglas Robbins.
Background:	East Fork Swimming Pool District has a Board vacancy as of December 20 <sup>th</sup> , 2023. The Board Clerk has discussed with legal counsel and the Chair of the Board on what are the next steps for the District to fill the vacancy. A plan has been put to place from advertising to appointing a replacement.
Funding:	NA
Recommended Motion:	Discussion only
Trustee Action:	ApprovedDeniedNo Action Other

East Fork Swimming Pool District has an opening for a member of the district's elected Board Trustee as of December 22, 2023.

Length of term – From date of appointment by the Board through December 31, 2024. The successful candidate will run in the general election in November of 2024.

Candidates must live within the East Fork Swimming Pool District which includes the residents of Douglas County excluding those who live in the Lake Tahoe basin starting at the top of Kingsbury Grade.

Interested candidates must submit a Letter of Interest, not to exceed two pages, by December 21, 2023.

#### Please include the following:

- What interests you in becoming a Board Trustee for Carson Valley Swim Center
- Your background and qualifications
- What qualities you believe you can bring to the Board

Letters should be submitted to:

Sharon Thompson CVSC – EFSPD PO Box 1972 Minden, NV 89423

Candidates will be invited to the January 18, 2024 Board Meeting held at the Carson Valley Swim Center at 9:00 AM to be interviewed by the Board. A board member may be appointed at that meeting.

#### CVSC December 2023 Director's Report

User Attendance: See board binder documents.

• Nov 2022 Attendance was 6962. Nov 2023 Attendance was 7373 (See attached docs)

#### **Programming, Staffing and Training:**

- Underwater Santa pictures were successful and pictures were emailed out.
- Aquatic Supervisors and Shannon are registered for the AOAP Conference Feb 2024.
- Leadership Team (Director and Supervisors) meet monthly to plan and discuss CVSC programming & staffing.
- Monthly In-Service Training/Meeting was conducted by all supervisors.
- Session, Drop-In and Private swim and dive lessons are combined numbers and classes have been successful (see attached #'s)
- Water Aerobics Class attendance is staying steady at 35+ participants in the morning classes. Evening classes are smaller but well likes and attended.

#### **Marketing and Public Relations:**

- Sarah and Shannon met with the Eureka County Pool Manager and gave a tour and shared Docs.
- Shannon attended the Board of Commissioners meeting Interlocal Agreement approval with County (splash park)
- Shannon attended (online) the Executive and General NRPS Board Meetings.
- Social media exposure, information sharing and flyers: Facebook & Instagram updates (Sarah & Catherine).
- Website updates (Justin, Paul, Sharon), Google Business updates (Shannon), Alignable updates (Shannon)
- Publications: Carson Valley Business Directory, Getaway Reno/Tahoe Area, Best of CV, Almanac, Record Courier.
- CGI Marketing Group continues to do a good job managing our online reputation with Google, Yelp (Shannon)
- Phone Message updates (Sherrie)
- Water Aerobics Coordinator (Deanna) is emailing staff and patrons on our internal water aerobics list to keep up-to-date on schedule or procedure changes.

#### **Employee Recognition:**

• Employee of the Month: November 2023 Abbigail Detsch, Lifeguard. Abby is truly an asset to the CVSC team. She is professional, kind, engaging and thoughtful. She is liked by her peers, management and patrons. She oftentimes has the opening shift which can be one of the most demanding shifts having to arrive at 5am and then she would go to school afterwards. She is consistent and covers for others.

#### **Maintenance Updates:**

- Roof coating project walk thru identified more work to be done. Retention is still being held.
- Rockwall is up and running. Positive feedback.
- Dive stand pad has been put in place but has some bubbling. The company will replace the pad. (warranty)
- Daily, weekly, monthly and annual maintenance projects and asset management are being completed... excel document updated by Maintenance Supervisor and Director regularly
- Updating and improving the data information in Reserve Analyst (Asset Management Program).

Monthly Financial: See board binder documents.

**Correspondence:** See board binder documents (if applicable).

Friends,

The Friends of the Alpine County Library THANK YOU for your donated raffle prize of the swim pass for our Wine in the Garden evening.

The library hosted their 13<sup>th</sup> annual Wine in the Garden event in August, and our community is always quite supportive of that evening. Thank you again for the raffle prize. Without generous community members like yourselves, our annual wine tasting fundraiser would not be as successful and anticipated as it is.

There are lots of interesting things happening at the library. Besides books, patrons can check out musical instruments, snowshoes, telescopes, yarn craft kits, sewing machines, cake decorating kits...the surprising list goes on and on. This summer, the library sponsored a Reading Program aimed to encourage the love of reading to our youth. The program included reading incentives, writing workshops, music, movies, crafts, and a Storytime each Saturday. A continuing program at the library is the 'Library Players'. Each Friday afternoon, people come in with any musical instrument they can carry, and the back of the library is filled with music and laughter for hours. For those who cannot play an instrument, clappers and foot tappers are always welcome.

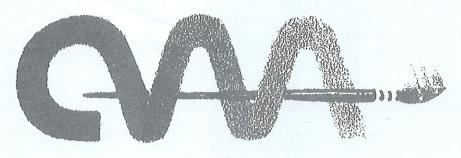

There is nothing like a rural, close-knit community. Thank you for being such a generous part of it.

Here is the legal stuff: Alpine County Friends of the Library is a non-profit and we have tax exempt status under Section 509(a)(3) and is an organization of the type described in Section 509(a)(1) and 170(b)(A)(vi) of the Internal Revenue Code. Your donation is tax deductible to the full extent allowed by law.

Thank you again,

Jan Crow

#### **Great Fall Homecoming Editor:**

Another year brought another amazing Fall Homecoming for Douglas. DHS Student Leadership would like to take this opportunity to recognize and thank the following people and businesses who helped make "Hey Douglas, let's go party!" Fall Homecoming 2023 a success. The Town of Minden Staff, Douglas County Sheriff's Department, Valley Eats, Sierra Sprinkle, Gonuts 4 Donuts, Kings of Kings, Ping Pow Poom, Nick and Willy's Pizza, Bonfire Coffee, Uncle Richie's Ice Cream, Carson Valley Medical Center, Community Counseling Center, DHS All Sports Boosters, Accolades Trophies & Engraving, Team Sports Ink, Eric Pacheco & DHS Custodial Staff, Little Details Photography, Amanda Laca, Kaitlyn Hinojosa, Katy Shipley & the DHS Cheerleaders, Mark Porter & "The Pride of the Carson Valley" DHS Marching Band, Mike Glynn, & the DHS JROTC Tiger Battalion, Kurt Hildebrand, Sarah Drinkwine & The Record-Courier, Ron Harpin Photography, DHS Staff, Administration, & Student Body, DHS Fall Cpaches & Teams, DHS Faculties, Keith Cole, Belinda Grant the AMBUSH Student Section, Grocery Outlet, Carson Valley Cinema, the Leadership programs at CVMS and PWLMS, DHS Clubs and Activities, Hall of Fame inductees Nori Neddenriep-Jenkins and Jeremy Litka, royalty nominees and the families of all nominees. We would also like to give a special thanks to everyone who came out last minute to the crowning ceremony of our Homecoming King Jett Lehmann and Queen Logan Karowoski when a power outage canceled our game. Finally, thank you to the alumni who came out this week and supported the Tigers; having alumni return with pride is truly the most special part of this annual event. "Once a Tiger, Always a Tiger."

Last but certainly not least,

# Drivers donate to the Fill the Boot fundraiser by the East Fork Professional Firefighters Association GivingTuesday. The firefighters raised \$7,800 to donate at the Share Your Holiday Food Drive on Fr Douglas High School Boosters,

we would like to recognize the members of DHS Student Leadership for their hours of effort and hard work in order to make this weeklong event full of spirit, camaraderie, and tradition a reality. There really is no place like Douglas.

The Ladies of Minden Fortnightly Minden

# Thanks from Minden Fortnightly

Editor:

Minden Fortnightly, the oldest service club in the Carson Valley, held its annual fundraiser on the Friday before Thanksgiving. While for many in our Valley it serves as an unofficial kickoff to the holiday season, the goal of our Fundraiser is to give back to our community, and we are proud to say that 100% of our profits are donated to local organizations and charities, support upgrades at the CVIC Hall, and provide extra help to community members when the need arises.

We owe a huge thank you to the community members who came out to support our fundraiser, and to the donors for our live auction, silent auction, raffle, and wine pull. We would like to recognize the following donors: Atlantis Casino Resort Spa, Big Daddy's Bike and Brew, Battle Born Wine, CalNeva Realty, Big Fish Landscaping, CV Flyte, Carson Valley Community Theatre, Carson Valley Golf Course, Carson Valley Inn, Carson Valley Swim Center, Christensen Automotive, Cook'd, Cosmetic Medicine Center, Custom Framing and Design, Douglas County Chamber of Commerce, Douglas County Community Center,

# Appreciates support

Editor:

To our incredible event sponsors, donors and guests, the board, executive director, and staff of Family Support Council cannot begin to thank all who were involved with our first annual gala Unmasking Domestic Violence event on Nov. 18.

With our masks on, we brought light to a cause that has gone underrepresented, and boy did we rise up.

Your contributions will allow us to continue offering lifesaving services free of charge to survivors in need of our assistance. The direct impact to our confidential shelter, Abbey's Crossing, is monumental.

Thank you for standing up for our victims and survivors.

Special thanks to the following:

Thanks to the Tribe

The Douglas County Public L brary would extend our gratitud to the Washoe Tribe of Nevada and California for sharing a glimpse into the Washoe Tribe's culture and heritage at the Mind en branch.

The library was honored to host this exhibit during the month of November. This is a small but essential step in moving forward with respect not only for the Washoe Tribe of Nevada and California but all indigenous peoples, past, present and future. The library lock
